Henry Bloom founded The Bloom Organization in 1990. Since then, Mr. Bloom has accumulated more than 25 years of experience in advising physicians, group practices, ASC development companies, private equity firms, hospitals and other types of healthcare operators and investors. Today, The Bloom Organization is the preeminent advisor, development partner and investment banker for surgery centers and physician practices.

Mr. Bloom was an early pioneer in the surgery center industry space both on the development and transactional sides and has successfully led hundreds of surgery center projects, creating more than \$1 Billion in market capitalization. Mr. Bloom also participates in the management and operations of surgery centers, having been a managing partner of surgery centers in California, Florida, New Jersey and New York. He resides in Sunny Isles Beach, FL. Mr. Bloom speaks regularly at surgery center and healthcare related conferences.
